The screenshot displays the ImportGenius website interface. The top navigation bar includes the logo, 'Home', 'How it works', 'Pricing', 'Contact us', 'Login', and 'Sign up'. The main content area features a large heading 'Global Trade Data' and a sub-heading 'Search global import/export records from US Customs at the bill of lading level for 8 million businesses.' Below this are 'Sign up' and 'Request a demo' buttons. The interface also shows a search bar, a date range filter set to 'Sep 27 2020 - Sep 28 2020', and a table of search results with columns for '#', 'BILL OF LADING', and 'PRODUCT'. A 'HISTORY' sidebar lists various search terms like 'Walmart', 'DHL', 'Adidas', etc. A 'See it in action' button is visible in the bottom right of the search results area.

Global Trade Data

Search global import/export records from US Customs at the bill of lading level for 8 million businesses.
