Its core business involves grain-based products, made predominantly from soy and wheat, as well as corn-, sorghum-, and sugar-based products. It sells branded consumer foods (wheat flour, edible oils, margarine, mayonnaise) under the Delicia, Primor, Soya, and Cyclus brands and also sells grains for use in animal feed. Bunge Alimentos, which operates in 15 of Brazil's 26 states, has relationships with nearly 28,000 independent farmers who supply the company with raw materials; with more than half if its revenues generated from overseas sales, it is one of Brazil's top exporters.
